

UNDERCABINET LIGHTING

New England Lighting's Solid State LED Undercabinet system features sleek design with superior, maintenance-free performance with an LED life up to 50,000 hours. Utilizing industry leading Nichia LEDs and an integral Keystone Technologies driver, these fixtures are perfectly suited for high-end installations that demand cutting edge design with ultimate LED efficiency.

SPECIFICATIONS

LEDs:

- Manufacturer: Nichia
- Rated Life: 50,000 hours
- Power: 1.6 Watt Max
- Color Temp: 3000K, Warm White, Comparable to Halogen

DRIVER:

- Manufacturer: Keystone Technologies
- 120 Volt Input
- 12 Watt Max, Constant Current @ 380 mA
- UL 1310, Rated for Dry Location

HOUSING AND CONSTRUCTION:

- Extruded Aluminum
- Standard Finish: White (Premium Powder Coated)
- Sleek 1" Profile
- Lens: Tempered Glass with Micro-Prismatic Texture

DIMMING:

- Front Phase Dimming
- Suitable for Use with TRIAC Dimmers
